Governor's red ribbon campaign Kickoff

A colorful Red Ribbon event will begin at 10:00 am at The Omni Hotel, Grand Ballroom, at the CNN Center in downtown Atlanta.

We are happy to announce that this event marks the official start of the Governor's Red Ribbon Campaign in Georgia. Youth will once again showcase their artistic talents, and an expanded visual arts walk demonstrating that real life is drug free will once again be featured. The Red Ribbon mascot, *Big Red*, will be there to interact with the audience.

The kick-off features an opportunity for elementary, middle and high school students, as well as Georgia colleges and community-based organizations to showcase their talents with the goal of brining awareness to fun, safe activities that are positive alternatives to substance use and abuse.
