TRAINING ANNOUNCEMENT

FY12 Individual Service Planning (ISP) for Persons with DD Diagnosis: Incorporating the New Waivers, the Supports Intensity Scale and Person Centered Action Planning

This training reflects the ISP design that not only incorporates the values and strategies embodied in the Person Centered Organizations/Good to Great initiative, but also the information obtained from the Supports Intensity Scale (SIS). The SIS assists in determining the types, levels and intensity of supports required, which is vital to the development of a person centered ISP. The impact of Georgia's New Waivers on the ISP will also be covered.

This training is for **NEW** support coordinators, planning list administrators, DD community service providers, including house managers, direct support professionals, supervisors, directors and subcontractors. **Professionals who attended this training after January 2011 do not need to attend these sessions.** The presenters for this training will be Training Specialists from DBHDD's Division of Developmental Disabilities. Training will begin at 9:00am and end at 4:00pm; sign-in begins at 8:30 am.

The training will address the following questions:

- How to incorporate person centered principles into the ISP?
- How to address important to and for?
- How to develop outcomes based on what is important to and for a person?
- How to use the tools what is working, not working and 4+1 questions?
