**CONSULTANT**

**Randall L. Tackett, Ph.D.**, is Professor and Graduate Coordinator at the College of Pharmacy, University of Georgia. Educated at Jacksonville University and Auburn University, he received his Ph.D. from the University of Georgia and has been a Postdoctoral Fellow with the Medical University of South Carolina. Areas of expertise include abused drugs and preventative education as well as recognition and minimization of adverse drug effects.

Dr. Tackett's commitment to teaching, public service, and research is evident in his extensive resume. He is published in multiple scientific journals and was the *Ethnicity & Disease* Field Editor. In recognition of his contributions, there is an extensive array of honors granted to Dr. Tackett including: the Dean's Award for Outstanding Teaching; the Georgia Psychological Association's Presidential Citation as well as Distinguished Faculty Award; and the 1994 dedication of the Georgia Pharmacist Magazine.
