- Created the Georgia Crisis Response System for people with developmental disabilities
 - 12 Mobile Crisis Teams covering all 6 regions
 - 381 Mobile Crisis Dispatches with 1,502 individuals receiving crisis services

Developmental Disabilities

Goals & Direction

- Enrollment/eligibility process for Developmental Disabilities services & supports
- Process for waiver enrollment when resources are identified
- Exceptional rate approval process
- Decrease duplication of monitoring by combining reviews
- Support coordination review

Comparing the Six Months Between July and November NWGRH v/s Community Hospitals

- 2010 - 498 people served
- 2011 - 798 people served

- 2010 – 92 average monthly admissions
- 2011 – 158 average monthly admissions

- 2010 – Average length of stay is 18 days
- 2011 – Average length of stay is 4.7 days

At Community Hospitals, the average census is 25

- It's been as low as 8 and as high as 48
- The State gets flexibility to meet need without overhead
