### COMMUNITY MENTAL HEALTH TRAINING AND TECHNICAL ASSISTANCE- ADULT MENTAL HEALTH PROVIDERS

The Department of Behavioral Health and Developmental Disabilities is pleased to offer training and professional development opportunities for the providers of community-based behavioral health services for adults. Providers will be able to learn about best practices, outcome achievement, strategies to assist in treatment interventions, hear from peers, and understand expected treatment outcomes for target populations.

#### Participants will:

- Learn about tools to assist psychiatrists with increasing community tenure of MH consumers.
- Gain knowledge and understanding of tools that will improve consumer outcomes.
- Obtain an increased awareness and understanding of The Science of Addiction and Recovery.
- Learn and understand the science and sound logic behind implementing the IPS model with fidelity.
- Learn the components of evidence-based delivery of ACT service.

#### DBHDD Staff and Subject Matter Experts:

Jorge Petit, Quality Healthcare Solutions Group, Neil Kaltenecker - Ga. Council on Substance Abuse, Michael Flora, MTM Services, Doug Crandell - UGA/IHDD, Pascale Jean Noel - The ACT Institute, Mitch Dorfman – Dorfman Management Strategies, Melissa Graves - DBHDD, Doug Scott – ACT Consultant, Sally vander Straeten- DBHDD, Jeannette David- DBHDD, Barry Critchfield - DBHDD
