### Fiscal Year 2020 Performance Monitoring Report

The Georgia Department of Behavioral Health and Developmental Disabilities (DBHDD) and the Office of Internal Audits and Risk Management (OIARM) would like to communicate information in preparation for the Fiscal Year (FY) 2020 Performance Monitoring Reporting period (PMR).

On June 15<sup>th</sup>, OIARM/DBHDD will be contacting each of our Community Service Boards (CSB) to validate their site-specific locations as listed with the Georgia Collaborative. This will be the sites that the CSBs will be required to report on for FY 2020. If any differences are noted with the list of Core site locations we will provide, our office should be notified through [Report.Now@DBHDD.ga.gov](mailto:Report.Now@DBHDD.ga.gov), and the CSB should make every effort to correct the error with the Georgia Collaborative by June 30<sup>th</sup> or they will be required to report on all sites as listed.

Additionally, OIARM/DBHDD will begin collecting the contact information for the Stakeholder Survey, per policy [01-221 Community Coordination](#), for a minimum of five stakeholders in your area **that must respond** for your agency to receive a score. The purpose is to collect data for the key performance indicator that determines the level of relationship each agency should have with the stakeholders in their communities. The survey will be performed through SurveyMonkey, a link will be sent to the stakeholders, and the stakeholder will have between July 1<sup>st</sup> and July 31<sup>st</sup> to respond.

**The PMR portal will be open between September 1<sup>st</sup> and October 1<sup>st</sup> for providers to report their FY 2020 key performance indicators (KPI).**

Our office will be available to the Georgia Community Service Boards. Please reach out by email to [Report.Now@DBHDD.ga.gov](mailto:Report.Now@DBHDD.ga.gov) with any PMR related questions or requests.
