

# Georgia Department of Behavioral Health and Developmental Disabilities

## CheckPT: Initial Provider User Registration

All DBHDD providers who conduct DBHDD fingerprint-based background checks will be required to use **CheckPT**. To access CheckPT, all existing and new providers must have their **first CheckPT user** register their agency on/or after January 21, 2025. This user will be the agency's administrator and will create and manage additional CheckPT users.

**Important:** The process outlined below is only used for the **FIRST** user at an agency to create an administrator account. All other users should be created by the agency administrator.

## Provider Instructions

- From the home page, [DBHDDCheckPT.com](https://DBHDDCheckPT.com), users will select the link **"Click Here to Register as a New User"**. This will be required the first time a provider agency is registered in the system. Subsequent users will be registered by the agency administrator.
- The Provider User Registration page will be displayed
- Enter the following information:
  - Provider** – The **legal name** of your agency
  - Vendor Id** – Enter your Carelon Access ID (also know a your ASO Provider ID). This number was created upon your enrollment as a DBHDD provider and was included in your Completion Letter. Please contact our Provider Relations team via the [Provider Issue Management System \(PIMS\)](#) for fastest resolution. Alternatively, you can reach out through [DBHDD.Provider@dbhdd.ga.gov](mailto:DBHDD.Provider@dbhdd.ga.gov).
  - First Name**
  - Last Name**
  - Email** – Enter your personal business email address that should include at least your first and/or last name. **Important:** Do not use a generic agency email address or group/shared email address, including those that multiple people have access to.
  - Phone Number**
- Select **"Register"** at the bottom of the page to submit.
- A temporary password will be emailed to you. Log in at [DBHDDCheckPT.com](https://DBHDDCheckPT.com) using your email as your Username and the password provided in the email.
- As the initiating user in CheckPT, you will have the ability and responsibility to create additional users for your agency if needed. DBHDD recommends each provider should have at least 2 CheckPT users.
  - Refer to the Provider Administrator User Guide for more information on setting up additional user accounts.

The screenshot shows the 'Provider User Registration' form. It includes a header with the title 'Provider User Registration' and a sub-header 'To register for a DBHDD account, please enter the following information. The Vendor ID is numbers only, do not use hyphens. DBHDD Helpdesk.' The form contains six fields, each with a red asterisk indicating it is required: 'Provider:', 'Vendor Id:', 'First Name:', 'Last Name:', 'Email:', and 'Phone Number:'. Each field has a text input box and a small blue icon to the right of the input box.
