

We Need to
Stay at Home

Right now, we can't go out.

I might feel sad, mad, or confused.

I might miss my family and my friends.

Right now, Everyone has to stay at home.

There are germs called Corona Virus that can make people sick.

If we stay home, we can stay healthy.

=

We can all keep healthy by:

washing our hands

covering our mouth when
we cough

covering our mouth when
we sneeze

Wearing a face mask

We are going to
have a lot more days at home.

But at home, we can do a lot of fun things!

books

Play games

watch TV

Make art Projects

listen to music
