

## **ON-LINE DRIECTORY FOR CSB PROVIDERS OF POINTS OF CONTACT IN THE AGING AND DISABILITY NETWORK FOR QUESTIONS REGARDING RESOURCES FOR SOMEONE 65 OR OLDER**

In keeping with the goal of strengthening Georgia's System of Care for older adults who have a mental illness and enhancing collaboration between Aging Services and public BH system providers at the local level, the Georgia Coalition on Older Adults and Behavioral Health (GCOABH ) continues to direct efforts toward expanding each system's awareness of resources and services offered by the other.

In order to help CSB providers navigate the Area Agency on Aging (AAA) system when they have a question regarding someone age 65 or older they ae serving, this on-line directory of points of contact in the Aging and Disability network was created to assist CSB providers in identifying supportive housing, meals, transportation, medical care, assessment for eligibility for aging and disability waivers and other home and community-based services for older adults who have a mental illness.
