

## TRAINING ANNOUNCEMENT (WEBINAR)

### Omnibus HIPAA/HITECH Final Rule Summer Webinar Series

The U.S. Department of Health and Human Services (HHS) Office for Civil Rights (OCR) and the Workgroup for Electronic Data Interchange (WEDI) is launching a series of co-sponsored webinars on various aspects of the Omnibus HIPAA Rulemaking. The 90-minute webinars are specifically designed for small health care providers, with a focus on practical strategies for implementing the Omnibus Rule changes within a small clinical practice.

The virtual sessions are scheduled for June 14, June 28, July 17 and July 26, 2013 from 1:00pm – 2:30pm Eastern Time on the following topics:

- HITECH Omnibus Overview of the Rule - June 14
- Drill down on the new HITECH Privacy Rule - June 28
- Breach and Enforcement under the HITECH Omnibus Rule - July 17
- Business Associates and the HITECH Omnibus Rule - July 28

**Registration is free of charge and available at:**

<http://www.wedi.org/forms/meeting/MeetingFormPublic/view?id=2C09800000249> . WEDI was formed in 1991 by then Secretary of HHS Dr. Louis Sullivan and was named in the original 1996 HIPAA legislation as an advisor to HHS.
