## IMPORTANT ANNOUNCEMENT

## DD LEARNING COLLABORATIVE

---

### 2024 DD Learning Collaborative

**Lanier Islands Legacy Lodge**  
**May 1st & May 2nd, 2024**

The Georgia Department of Behavioral Health and Developmental Disabilities, Division of Intellectual and Developmental Disabilities, Office of Transitions and the Office of Human Resources & Learning is pleased to announce the 2024 DD Learning Collaborative.

This year's theme is Elevating Voices, Nurturing Dreams: Empowering Community Inclusion! We are excited to add a pre-conference on April 30, 2024, this year! The pre-conference will focus on autism, inclusion, community and innovation.

We will have multiple topics targeted to providing resources and tools available to help support individuals to become the best version of themselves while meeting the individuals' particular needs.

The attendees will be exposed to noted and respected experts in the field through plenary sessions, interactive workshops, and organizational exhibit tables. Subject-matter experts will lead workshops organized for all levels of service providers from managers to paraprofessionals.

Each designated session has a series of workshops which are focused on topics such as communication, relationship building, and leadership, just to name a few! Join us for this premiere opportunity where we bring all levels of service providers together to learn best practices, what's new in statewide trends, enhance behavioral supports, reduce critical incidents, and increase ways to develop an effective and efficient workforce.
