## IMPORTANT MANDATORY MEETING ANNOUNCEMENT FOR IDD PROVIDERS

---

### Decentralization & Outcome Improvements Webinar

**Monday, May 11, 2026 at 10:00AM**

As part of our ongoing commitment to improving outcomes for individuals supported by the COMP and NOW waivers, we are pleased to announce a required meeting for all providers of Intellectual and Developmental Disability (IDD) services on **May 11, 2026 at 10:00 AM**. This session will focus on our current decentralization efforts and how shifting operational oversight to regional field offices will streamline processes and enhance the quality of care. We will specifically discuss how this new framework empowers regional management to work more closely with providers and support coordination agencies to ensure services are more responsive to the needs of the people we serve.

The leadership from the DBHDD's Division of Developmental Disabilities and leadership from Field Operations will present this training.

**This will be a required meeting for all I/DD Providers. Support Coordination and Regional Field Office Staff are welcome to attend.**
