IMPORTANT ANNOUNCEMENT

I/DD RATE STUDY SURVEY

As discussed in the Special Bulletin released on August 8th, 2022, Burns & Associates, a division of Health Management Associates (HMA-Burns) is administering a provider survey as part of a review of payment rates for the New Options Waiver (NOW) and Comprehensive (Comp) Waiver services. Earlier this week, HMA-Burns posted the instructional webinar for the survey. The webinar, as well as the instructions and survey form, can be accessed by [clicking here](#).

A few providers have noted that the Group Home Detail form in the survey had fields which were locked, preventing providers from completing the form. A revised version of the survey form is available by [clicking here](#) and at the link below.

The only change is the unlocking of the fields on the Group Home Detail form. If your organization does not provide group home services, you can use either version. If you are a group home provider and have not started the survey, please use the revised version below. If you have already begun completing the survey, you can submit the revised survey for the Group Home Detail page and the original version for the remainder of the forms and HMA-Burns will consolidate the files.

As a reminder, completed surveys are due by Friday, September 9th and should be submitted to bsmith@healthmanagement.com.

Thanks to those providers who have already submitted the survey. If you have any questions regarding the survey, please contact Stephen Pawlowski with HMA-Burns at spawlowski@healthmanagement.com or (602) 466-9840.
