Comprehensive Supports (COMP) Waiver Renewal

- Current COMP Waiver began Jan. 1, 2011
- Current COMP waiver ends Dec. 31, 2015
- Currently serving 7,087 on the COMP Waiver

Comprehensive Supports (COMP) Waiver Renewal

- Asking the Department of Community Health (DCH) to request a 90-day extension from the Centers for Medicare and Medicaid Services (CMS) for submission of COMP Waiver renewal
- Additional 90 days will allow DBHDD to do the following:

Comprehensive Supports (COMP) Waiver Renewal

- Keep our commitment to external stakeholders by continuing to meet and seek input on the rate methodology and service definitions as well as the COMP Waiver rewrite
- Ensure that we have anticipated the service needs of the current intellectual and developmental disability population, as well as those individuals entering our system in the future
- Develop and test various implementation strategies with the new rate methodology which includes assessments and provider qualifications for serving individuals with the most significant needs
- Submit COMP waiver to DCH by the end of September 2015
