

## Georgia Department of Behavioral Health & Developmental Disabilities

Frank W. Berry III, Commissioner

DD **Office of Adult Mental Health** Two Peachtree Street NW, 23<sup>rd</sup> floor, Atlanta, Georgia 30303-3142 404-232-1644~FAX 404-463-7149

## Supported Employment Fidelity Review Report

| Provider:          | River Edge Behavioral Health |
|--------------------|------------------------------|
| Date(s) of Review: | May 12-13, 2015              |
| Region:            | 2                            |
|                    |                              |

## SUPPORTED EMPLOYMENT FIDELITY SCALE

| STAFFING  |             |
|---|-------------|
| 1. Caseload size  | Rating      |
| Employment specialists have individual employment caseloads. The maximum caseload for any full-   |             |
| time employment specialist is 20 or fewer.  |             |
| 2. Employment services staff  |             |
| Employment specialists provide only employment services.  |             |
| 3. Vocational generalists   | Rating      |
| Each employment specialist carries out all phases of employment service, including intake, engagement,                                      | 5           |
| assessment, job placement, job coaching, and follow-along supports before step down to less intensive                                       |             |
| employment support from another MH practitioner.  |             |
| ORGANIZATION  |             |
| 1. Integration of rehabilitation with mental health through team assignment   | Rating      |
| Employment specialists are part of up to 2 mental health treatment teams from which at least 90% of   | 5           |
| the employment specialist's caseload is comprised.  |             |
| 2. Integration of rehabilitation with mental health through frequent team member contact  |             |
| <ul> <li>ES attends weekly MH treatment team meetings.</li> </ul>   | 4           |
| <ul> <li>ES participates actively in treatment team meetings with shared decision-making.</li> </ul>  |             |
| <ul> <li>Employment services documentation (i.e., vocational assessment/profile, employment plan,</li> </ul>                                |             |
| progress note) is integrated into consumer's MH treatment record.   |             |
| <ul> <li>ES's office is located in close proximity to (or shared with) his/her MH treatment team<br/>members.</li> </ul>                    |             |
| <ul> <li>ES helps the team think about employment for people who haven't yet been referred to<br/>supported employment services.</li> </ul> |             |
| 3. Collaboration between Employment Specialists and Vocational Rehabilitation Counselors  |             |
| The employment specialist and VR counselors have frequent contact for the purpose of discussing   | Rating<br>5 |
| shared consumers and identifying potential referrals.   |             |
| 4. Vocational unit  |             |
| At least 2 full-time employment specialists and a team leader comprise the employment unit. They  | Rating<br>5 |
| have weekly client-based group supervision following the supported employment model in which  |             |
| strategies are identified and job leads are shared. They provide coverage for each other's caseload   |             |

|                                 |  | <b>.</b>    |
|---------------------------------|--|-------------|
| ~                               | le of employment supervisor  | Rating      |
|                                 | orted employment unit is led by a supported employment team leader. Employment specialists'  | 5           |
| skills a                        | are developed and improved through outcome-based supervision.  |             |
| 0                               | One full-time supervisor is responsible for no more than 10 employment specialists.  |             |
| 0                               | The supervisor does not have other supervisory responsibilities. (Program leaders supervising  |             |
|                                 | fewer than 10 employment specialists may spend a percentage of time on other supervisor  |             |
|                                 | activities on a prorated basis.)   |             |
| 0                               | Supervisor conducts weekly supported employment supervision designed to review consumer  |             |
|                                 | situations and identify new strategies and ideas to help consumers in their work   |             |
| 0                               | Supervisor communicates with mental health treatment team leaders to ensure that services  |             |
|                                 | are integrated, to problem solve programmatic issues and to be a champion for the value of   |             |
|                                 | work. Attends a meeting for each mental health treatment team on a quarterly basis.  |             |
| 0                               | Supervisor accompanies employment specialists who are new or having difficulty with job  |             |
|                                 | development, in the field monthly to improve skills by observing, modeling and giving feedback   |             |
|                                 | on skills, e.g., meeting employers for job development.  |             |
| 0                               | Supervisor reviews current consumer outcomes with employment specialists and sets goals to   |             |
|                                 | improve program performance at least quarterly.  |             |
|                                 | ro exclusion criteria  | Rating      |
| All con                         | nsumers interested in working have access to supported employment services regardless of job   | 5           |
| readin                          | ness factors, substance abuse, symptoms, history of violent behavior, cognition impairments,   |             |
| treatm                          | nent non-adherence, and personal presentation. These apply during supported employment   |             |
| service                         | es, too. Employment specialists offer to help with another job when one has ended regardless of  |             |
|                                 | ason that the job ended or the number of jobs held. If VR has screening criteria, the mental health  |             |
| agency                          | y does not use them to exclude anybody. Consumers are not screened out formally or informally.   |             |
| 7. Age                          | ency focus on competitive employment   | Rating      |
| Agenc                           | y promotes competitive work through multiple strategies.   | 4           |
| 0                               | Agency intake includes questions about interest in employment.   |             |
| 0                               | 5 / 1 1 /  |             |
| 0                               | Agency includes questions about interest in employment on all annual (or semi-annual)  |             |
| 0                               |  |             |

|         | mental health treatment, or presence of a psychiatric disability, or difficulty with anxiety, etc.)  |        |
|         | and offer examples of what could be said to employers.   |        |
| 0       | Employment specialists discuss disclosure on more than one occasion (e.g., if consumers have         |        |
|         | not found employment after two months or if consumers reports difficulties on the job).              |        |
|         | going, work-based vocational assessment  | Rating |
|         | vocational profile/assessment occurs over 2-3 sessions and is updated with information from          | 5      |
|         | experiences in competitive jobs. A vocational profile form that includes information about           |        |
| -       | ences, experiences, skills, current adjustment, strengths, personal contacts, etc., is updated with  |        |
|         | ew job experience. Aims at problem solving using environmental assessments and consideration         |        |
|         | sonable accommodations. Sources of information include the consumer, MH treatment team,              |        |
|         | l records, and with the consumer's permission, from family members and previous employers.           |        |
|         | bid search for competitive job   | Rating |
|         | employment assessment and face-to-face employer contact by the consumer or the employment            | 5      |
| -       | list about a competitive job occurs within 30 days after program entry.                              |        |
| -       | ividualized job search   | Rating |
|         | yment specialists make employer contacts aimed at making a good job match based on                   | 5      |
|         | mers' preferences and needs rather than the job market (i.e. those jobs that are readily available). |        |
|         | ividualized job search plan is developed and updated with information from the vocational            |        |
| -       | ment/profile form and new job/educational experiences.   |        |
| -       | development- frequent employer contact   | Rating |
| Each e  | mployment specialist makes at least six (6) face-to-face employer contacts per week on behalf of     | 4      |
| consur  | mers looking for work. An employer contact is counted even when an employment specialist             | 1      |

consumers looking for work. An employer contact is counted even when an employment specialist

| meets with the same employer more than one time in a week, and when the consumer is present or  |          |
|---|----------|
| not. Consumer-specific and generic contacts are included. Employment specialists use a weekly   |          |
| tracking form to document employer contacts.  |          |
| 7. Job development- quality of employer contact   | Rating   |
| Employment specialists build relationships with employers through multiple visits in person that are  | 5        |
| planned to learn the needs of the employer, convey what the SE program offers to the employer,  |          |
| describe consumer strengths that are a good match for the employer.   |          |
| 8. Diversity of job types   | Rating   |
| Employment specialists assist consumers in obtaining different types of jobs.   | 1        |
| 9. Diversity of employers   | Rating   |
| Employment specialists assist consumers in obtaining jobs with different employers.   | 5        |
| 10. Competitive jobs  | Rating   |
| Employment specialists provide competitive job options that have permanent status rather than   | 5        |
| temporary or time-limited status (e.g. transitional employment slots). Competitive jobs pay at least  |          |
| minimum wage, are jobs that anyone can apply for, and are not set aside for people with disabilities.   |          |
| 11. Individualized follow along supports  | Rating   |
| Consumers receive different types of support for working a job that are based on the job, consumer  | 5        |
| preferences, work history, needs, etc. Supports are provided by a variety of people, including treatment  |          |
| team members (e.g. medication changes, social skills training, encouragement), family, friends, co-   |          |
| workers (i.e. natural supports) and employment specialists. Employment specialist also provides   |          |
| employer supports (e.g. educational information, job accommodations) at consumer's request.   |          |
| Employment specialist offers help with career development (i.e. assistance with education, a more   |          |
| desirable job, or more preferred job duties).   |          |
| 12. Time unlimited follow along supports  | Rating   |
| Employment specialists have face-to-face contact within one (1) week before starting a job, within three  | 5        |
| (3) days after starting a job, weekly for the first month and at least monthly for a year or more on  | 5        |
| average, after working steadily and desired by consumers. Consumers are transitioned to step down job   |          |
| supports from a mental health treatment team member following steady employment. Employment   |          |
| specialists contact consumers within three (3) days of learning about the job loss.   |          |
| 13. Community-based services  | Rating   |
| Employment services such as engagement, job finding and follow-along supports are provided in natural   | 5        |
| community settings by all employment specialists.   | 5        |
|   | Dating   |
| 14. Assertive engagement and outreach by integrated treatment team  | Rating   |
| <ul> <li>Service termination is not based on missed appointments or fixed time limits.</li> <li>Sustantia documentation of outrooch attempts</li> </ul> | 5        |
| <ul> <li>Systematic documentation of outreach attempts.</li> </ul>  |          |
| <ul> <li>Engagement and outreach attempts are made by integrated team members.</li> </ul>   |          |
| <ul> <li>Multiple home/community visits.</li> </ul>   |          |
| <ul> <li>Coordinated visits by employment specialist with integrated team members.</li> </ul>   |          |
| • Connect with family, when applicable.   |          |
| • Once it is clear that the consumer no longer wants to work or continue SE services, the team  |          |
| stops outreach.   | <b> </b> |
