TRAINING ANNOUNCEMENT

SAVE-THE-DATE!

COMMUNITY MENTAL HEALTH TRAINING AND TECHNICAL ASSISTANCE DAYS

The Department of Behavioral Health and Developmental Disabilities is pleased to announce that it will host two training and technical assistance days to inform and train current Behavioral Health Providers regarding best practices in the delivery of community mental health care. The expectations are that providers who attend will receive relevant information and skills and will benefit from interactive training. This event is intended for all current contracted Department of Behavioral Health Providers of Community Mental Health. Day one is geared toward providers of Adult Mental Health services and day two is geared toward providers of Child and Adolescent Mental Health Services. Both days will include multiple workshops with relevant areas of focus for varying services.

PLEASE MARK YOUR CALENDARS FOR THIS OPPORTUNITY!
