**MEMORANDUM**

**TO:** Behavioral Health Providers

**FROM:** Frank E. Shelp, M.D., M.P.H., Commissioner 

**SUBJECT:** Child and Adolescent Fee for Service Provider Applications

The Department of Behavioral Health and Developmental Disabilities (DBHDD) has historically reviewed and approved Child and Adolescent Applications (C&A) for both state funded Fee for Service and Medicaid reimbursements. The DBHDD will no longer accept unsolicited provider applications for C&A state funded Fee for Service reimbursements. The Office of Provider Network Management will only review provider applications for C&A Medicaid reimbursable services. This includes both C&A CORE and Intensive Family Intervention services and impacts both new providers and existing providers requesting expansion of state funded Fee for Service reimbursements.

Any questions regarding your application must be submitted via email to the following email address: [mhddad-serviceapps@dhr.state.ga.us](mailto:mhddad-serviceapps@dhr.state.ga.us)
