According to policy 03-402 Safety Care Training and Certification, “Employees must recertify within 365 days of initial certification or the last required recertification. If an employee fails to meet this recertification requirement for any reason, he/she is no longer a certified Safety Care Specialist **and is not authorized to use Safety Care skills or strategies.**” This means the employees must recertify BEFORE their expiration date, or they will be no longer certified as a Safety Care Specialist.
