**TRAINING & TECHNICAL ASSISTANCE DAY
FOR ADULT MH TRANSITIONAL STAFF**

The Department of Behavioral Health and Developmental Disabilities and the Division of Mental Health is pleased to offer a training and technical assistance day for staff members who are directly involved with transitional work.

Topics will include:

- Overview of ADA/CRIPA Settlements
- Data collection mandates and processes
- Process for qualifying for ADA Planning List
- Money Follows the Person
- Other Special Projects

This session is specifically intended for invited adult mental health staff members that are directly involved with transitional work in adult mental health.

As a result of this training, participants will increase their knowledge and understanding of the statewide objectives, goals, policies and procedures as it relates to the successful transitioning of individuals from institutional settings back into the community.
