TRAINING ANNOUNCEMENT

COMMUNITY MENTAL HEALTH TRAINING AND TECHNICAL ASSISTANCE DAYS

The Department of Behavioral Health and Developmental Disabilities is pleased to announce that it will host two training and technical assistance days to inform and train current Behavioral Health Providers regarding best practices in the delivery of community mental health care. The expectations are that providers who attend will receive relevant information and skills and will benefit from interactive training. This event is intended for all current contracted Department of Behavioral Health Providers of Community Mental Health. Both days are a mixture of workshops and trainings geared toward providers of Child and Adolescent Mental Health Services and providers of Adult Mental Health Services, both days will include multiple workshops with relevant areas of focus for both services.
