TRAINING ANNOUNCEMENT

SAVE-THE-DATE!

COMMUNITY MENTAL HEALTH TRAINING AND TECHNICAL ASSISTANCE SYMPOSIUM

The Department of Behavioral Health and Developmental Disabilities Division of Community Mental Health is pleased to announce that it will again host a two-day training and technical assistance Symposium, to inform and train current Behavioral Health Providers regarding best practices in the delivery of community mental health care. The expectations are that providers who attend will receive relevant information and skills and will benefit from interactive training. This event is intended for all current contracted Department of Behavioral Health Providers of Community Mental Health. Both days are a mixture of workshops and trainings geared toward providers of Child and Adolescent Mental Health Services and providers of Adult Mental Health Services, both days will include multiple workshops with relevant areas of focus for both services. This year's symposium will include a leadership track with such topics as; Leadership development , *Data Informed Decision Making, Ethics for Supervisors, and Workforce Development*, and a clinical track with such topics are *Trauma Informed Systems of Care, Understanding the DSM-V, Disaster Preparedness, Co-Occurring (MH/SA) Disorders Treatment, Co-Occurring (MH/DD) Disorders Treatment, Aging and Mental Health, Transition Age Youth Services and Supports, Supported Employment and Vocational Rehabilitation, Best Practices in ACT service delivery, Motivational Interviewing, Military Families and Youth, Treatment Planning and Behavioral Interventions, Deaf Services, Housing, Residential Support Services, Suicide Prevention, Intervention and Post-vention, Employment supports for persons with challenging backgrounds, Transition, Support and Re-entry from corrections into the community.*
