"The governor and I would like to take this opportunity to applaud your hard work, dedication and contributions on behalf of the people we serve. Through your efforts, DBHDD continues to have a tremendous positive impact on the lives of individuals, their families and the citizens of Georgia. It is truly a privilege to be part of our team, and we continue to be amazed and gratified by all you do to support of our vision of easy access to high-quality care that leads to a life of recovery and independence for the people we serve."

**East Central Regional Hospital
Staff Appreciation Week
May 15 – 21, 2016**

Thanks

for all you do

ECRH Staff!

From the Desk of the RHA - Paul Brock

Staff Appreciation

ECRH's progress has long been driven by the gallant efforts of employees who come together demonstrating resolve and inspiring optimism for the individuals we serve. They are nurses, physicians, technicians, support service members, social workers and other health care professionals along with their individual and collective contributions. Each have carried forward the notion that as public servants, we are committed to working together to forge a brighter future for the individuals we

serve.

Throughout this next week, we will be recognizing the tireless efforts of all of you who strive to ensure ECRH stays true to its mission and vision. Often at great personal sacrifice you have strived to build a safe and recovery oriented environment of care to create lasting change in the lives of individuals and families. Together with leaders and advocates, you ensure the voices of those we serve are heard and comforted. Often many of you have been the unsung heroes who have made a vital difference in making our mission real for more people than we could ever imagine. Let us all embrace and celebrate the spirit that embodies the extraordinary work of our employees. It is that same spirit that created ECRH and drives your devoted work as compassionate and determined public servants.

With deep appreciation, thank you all for your dedicated service.

*Sincerely,
Paul Brock*

Clinical Director's Corner - Dr. Vicky Spratlin

It hardly seems possible that it has been a year since our last employee appreciation week. In that time, we have endured many losses in our staff. The most significant being the loss of Brian Mulherin, who wasn't even staff any longer. He was the most dedicated volunteer I have had the privilege of knowing. He truly understood the concept of appreciation, which is defined as the ability to be able to understand the worth, quality, or importance of something. If each of us demonstrated one tenth of the appreciation he showed others, this would be the best place to work. Our showing appreciation to each other in memory of Mr. Mulherin would be a wonderful way to honor him.

A person who feels appreciated will always do more than is expected. Therefore, we can promote harmony and productivity in our staff by simply letting them know how valued they are. Awards and other forms of recognition are wonderful, but the day to day expression of gratitude and appreciation to our staff will go even further in making ECRH a great place to work.

In honor of employee appreciation week, I chose a larger than usual group of employees to receive Clinical Director's Choice awards. The recipients are:

Shanta Searles-ICF Program Director, **Jenelle Harris Leggett**-ICF Residential Director, **Charles Shepherd**-Gracewood Campus Supervisor, **Aaron Newberry**-Registered Dietician, **Towanna Hicks**-AMH Social Worker, **Shana Howard**-Gracewood Campus Social Worker, **Monica Cole**-AMH HST, **Elizabeth Hanson**-Augusta Campus Work Therapist, **Mary Beth Castleberry**-Continued Habilitation Coordinator, **Jonathan Brannon**-Shift Supervisor on Forensics 2, **Harry Coolidge**, LPN-Gracewood 15-H, and the **ECRH Pharmacy Staff**.

I would like to close by thanking our Nursing Staff. This is officially Nurse's Week, but we should show appreciation to our nurses every day. As Margaret Cousins said: "Appreciation can make a day, even change a life. Your willingness to put it into words is all that is necessary."

New Employees

Front Row(L-R): Jermaine Williams, Housekeeper; Alexandria Walker, HST; Denise Meminger, CNA; Kenya Jones, HST

Back Row(L-R): April Bowers, RN; Detrice Jones, HST; Gregory Uhl, Jr., Lifeguard; Kathryn Parent, Activity Therapist

Back Row(L-R): Tallulah Reid, LPN; Maricelli Ponce, Facility Safety Officer; Karen Eaton, RN

Not Pictured: Gloria Knowles, Region 2 Planning List Administrator

WELCOME!

Employees of the Month

February - Michael Huff

Michael Huff is an HST Lead on the Forensics 1 Unit on the Augusta Campus. He goes above and beyond his job requirements and duties every day. He is always professional and courteous with coworkers and individuals. He is a team player and will do anything asked of him without question. He comes in every morning with a positive attitude and a smile on his face. He genuinely cares for each and every one of individuals, giving them the praise and encouragement that is crucial in their recovery process. He is compassionate and empathetic towards each and every person that he comes in contact with. One example of his selflessness and care for others was during the holidays last year. He was responsible for initiating a cash collection from employees that were willing to donate, for a fellow coworker that had her car stolen with her children's gifts in it. He went from person to person explaining the situation, and collecting donations to present to his coworker right before Christmas. He is an excellent leader and always puts the needs of the individuals he cares for, first and foremost.

Congratulations and thank you to Michael Huff, our February Employee of the Month.

March - Samantha Daniels

Ms. Samantha Daniels is a relatively new employee to East Central Regional Hospital; yet, she has already taken charge of one of our important clinical services with her own style, expertise, and finesse.

As a manager, Ms. Daniels is diligent to set high quality expectations for herself and for her staff, always working hard to achieve the best results. Her team spirit and actions as a team player convey just how willing and available she is to perform any job task as needed. She is adept at working collaboratively with other disciplines to set priorities, to solve problems, and to receive feedback on the performance of her staff.

From a clinical perspective, Ms. Daniels does an exemplary job of organizing critical psychology processes from assessment, crisis management, treatment implementation, recovery planning, to outcome measurement. In her daily work, she is a professional communicator and teacher who evidences a high level of ethics and a focus on evidenced – based, best practices.

Ms. Daniels' personal attributes are also noteworthy. As she performs her job, she communicates a positive attitude, genuineness, accessibility, trustworthy leadership, and a contagious smile. She is reliable, dependable, enthusiastic, and dedicated. Her decisions and actions indicate that she is a person of integrity, commitment, and resourcefulness.

We at East Central Regional Hospital are very fortunate to have the caliber of employee that Ms. Daniels represents. Congratulations and thank you to Samantha Daniels, our March Employee of the Month.

April - Farzana Hussaini

Farzana Hussaini deserves to be employee of the month because she is an extremely hard worker. She consistently goes above and beyond what is required of her. Her work ethic is unquestionable. She always has an upbeat attitude. When speaking with other ECRH staff, they always tell me how wonderful Farzana is. We are very blessed to have her as the PA for the Safety Office. She always has an smile on her face and is always thinking of others. ECRH is truly lucky to have her.

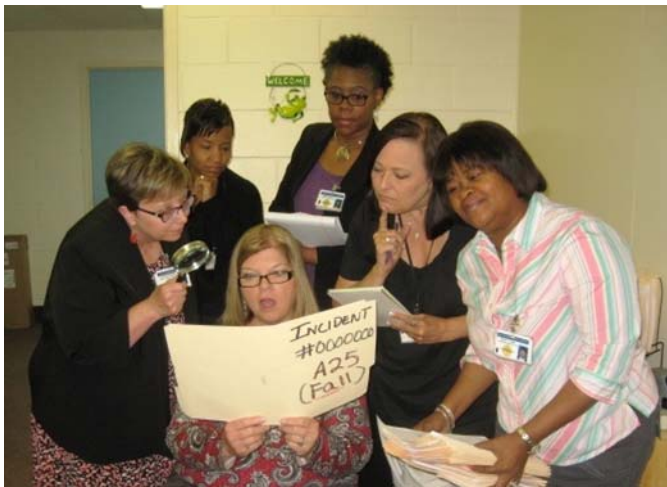

Congratulations and thank you to Farzana Hussaini, our April Employee of the Month.

Social Workers

**March was Social Workers Month.
Thanks ECRH Social Workers for all you do!**

Forensics Walking Club

MAKING STRIDES

**The Sovereign Invigorator Of The Body Is Exercise,
And Of All The Exercises Walking Is The Best**

Author: Thomas Jefferson

On April 19, 2016, "Making Strides", a walking club that allows anyone with an appropriate level to walk around campus, in an attempt to increase socialization skills, cardiovascular activity, and autonomy became official...and took their first walk around campus!!! The group members really enjoyed their walk and are looking forward to doing it again. Our hope is that "Making Strides" will not only be a leisure group, but also allow the Individuals to actually fulfill the group name and **MAKE STRIDES** in their lives.

Thanks go to Kristy Oliver, Ranita Keener, the Individual's who joined the club, and all of the staff members who have agreed to assist. There will be more to come from "Making Strides"!!!

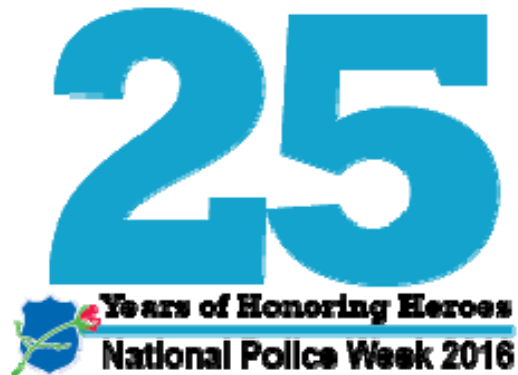

Editor's Note: The driving force behind this program is Kristy Oliver, Behavioral Health Counselor in the Forensics Unit. Her name was unfortunately left out of the article in the last issue. The *Bulletin* regrets the omission.

April was OT Month.

Thanks ECRH OT staff for all you do!

Hospital Security - Law Enforcement Memorial Day

Each May during National Police Week, the nation pauses to recognize the service and sacrifice of U.S. law enforcement.

Established in 1962 by President John F. Kennedy and a joint resolution of Congress, National Police Week pays special tribute to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others. Ceremonies are held in Washington, DC, and in communities across the country.

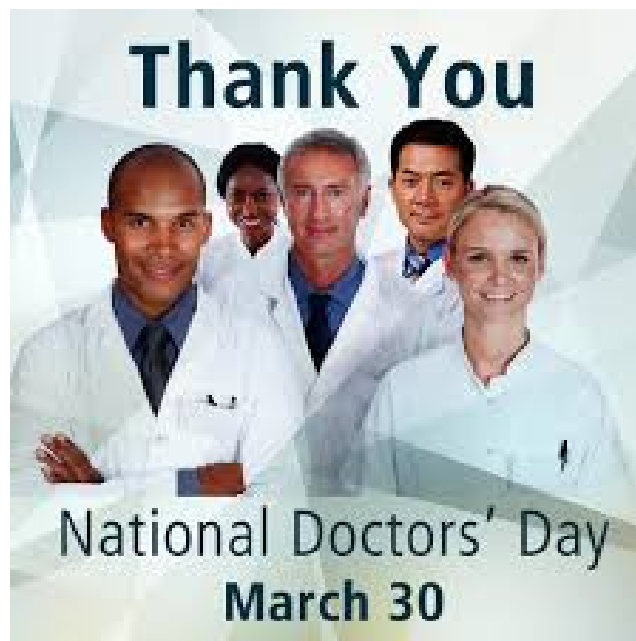

Speech and Hearing

Nursing

Doctors

March 30th was Doctors Day.
Thanks ECRH Docs for all you do!

Recreation Therapy

**February was Recreation Therapy Month.
Thanks ECRH Rec Therapy for all you do!**

Pharmacy

**March was Pharmacist Awareness Month.
Thanks ECRH Pharmacists for all you do!**

Noticed by the Gnome - April

During the month of April, 2016, we received 9 nominations for our employees to be Noticed by the Gnome. A big THANK YOU goes out to these employees and to those who took the time to recognize the good work that was being done by others.

Kristy Oliver
Janar Quiller
Christopher Barnes
Tamara Combs
Clayton Andrews

Loretta Ray
Charles Bickley
Barry Jones
Pamela Wimberly

"Ms. Wimberly has stepped up and took on several additional tasks to assist in the forensic treatment mall. We had been without a PA for several months and Ms. Wimberly took on additional duties without question to help ensure that reports were completed, phones were answered, and much more. She is much appreciated."

"Tamara Combs, Clayton Andrews, Loretta Ray, Charles Bickley, and Barry Jones. These staff recently spent a week at West Central in Columbus GA to complete WRAP (Wellness Recovery Action Plan) Training to become certified to Facilitate WRAP with our MH and Forensic Individuals. Mr. Jones was one of the trainers, who taught WRAP. They are a great group of staff and their willingness to do this training was greatly appreciated."

"Mr. Quiller and Mr. Barnes have just completed a very difficult 2-day training to become certified Pool Operators. This was a weekend class and these gentlemen did not hesitate to step up to take on this task."

"I would like to notice Kristy Oliver for her coordination of the new "Making Strides Walking Club" on Forensic 1. The individuals are having a great time in this new program. Thank you Kristy for all the hard work you did in pulling together staff and individuals to participate together in this program."

DD Services

**ECRH Incident Management
Hotline Procedure**

The purpose of this Hotline is to establish an alternate means of reporting incidents in a timely manner. The Hotline is to be utilized by any employee, contractor, family member, visitor and volunteer that may feel uncomfortable reporting an incident or allegation of abuse, exploitation or neglect in person. This is an **alternate** reporting system and by no means will it replace the current protocol outlined in the IM Policy.

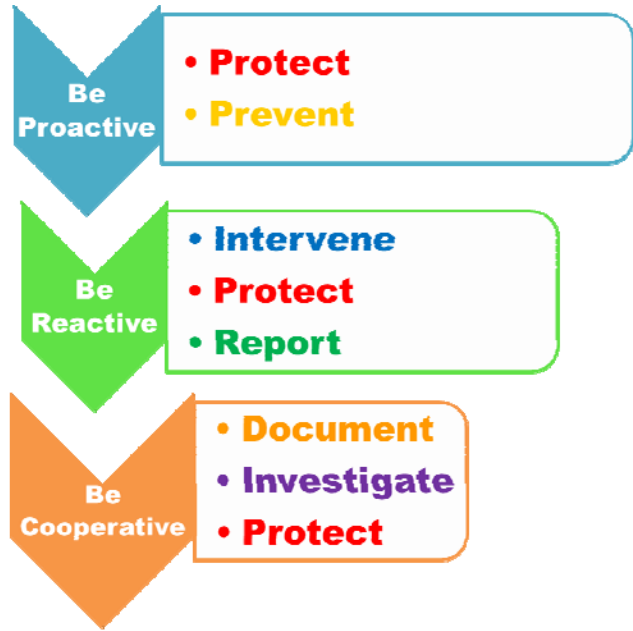

Hotline Number:
(706) 945-7150
