

## TRAINING ANNOUNCEMENT

### DBHDD Forum on New Provider Enrollment

The Department of Behavioral Health and Developmental Disabilities Division of Developmental Disabilities will host a provider informational forum to discuss the recruitment and application process for potential providers interested in providing Medicaid NOW/COMP services to individuals with developmental disabilities.

This forum will be specifically designed for potential providers who are interested in providing NOW and/or COMP services to individuals with developmental disabilities. In an effort to provide adequate space, we ask that registration be limited to two (2) representatives per provider agency. Both of the representatives planning to attend must register. The informational session will begin at 9:00am and end at 2:00pm; sign-in begins at 8:30am.

**NOTE:** This session is targeted specifically for potential new providers only. Current DBHDD providers who are providing NOW/COMP services to individuals with developmental disabilities do not need to participate in this training.
