TRAINING ANNOUNCEMENT

Georgia Peer Support Institute (G.P.S.I)

About this training:

Through a contract with DBHDD, each spring and fall the Georgia Mental Health Consumer Network, Inc. selects 35 mental health consumers to participate in this three day training.

GPSI is designed to teach:

- Principles of recovery from mental illness
- Characteristics of consumer-directed, peer-run, and recovery-oriented mental health services
- Skills to take an active role in one's recovery

Participants are also expected to plan and implement a project on some aspect of the training when they return to their community.

Return your completed application to:

GPSI Project Coordinator
Georgia Mental Health Consumer Network
246 Sycamore Street, Suite 260
Decatur, GA 30030

OR

Fax to: 404-687-0772

You will receive notice of your acceptance to the Institute approximately two weeks prior to the training.
