

## TRAINING ANNOUNCEMENT

### **Health Risk Screening Tool (HRST): Protocol Review for DD Providers & Their Nurses** *Informational session provided via Conference Call & Internet*

The goal of the Health Risk Screening Tool is to provide the support team with guidance in identifying a person's health risks that may need further assessment and evaluation. It will also guide the team in determining the need for professional services. The intent of the HRST protocol review is to train all DD providers and their nurses on the proper protocols when reviewing the health risk screening tools.

The learning objectives for this hour and a half informational session are for the Managers of DD Services and Nurses working for those providers to learn what is expected of the nurses when they review the HRST. This includes the time frames, what actions nurses are to take if the information is not accurate, and how to log on and make changes. This training is for the Managers of DD Community Provider Organizations and their Nurses. The presenter for this training will be Erin Mathews, BS, DC, a chiropractic physician who has fourteen years experience with the Health Risk Screening Tool.

<b>Training Dates/Times</b>	
You will have access to the online conferencing system 30 minutes before the start of each session.	
<b>TRAINING DATES</b>	<b>TIME</b>
Friday, November 30, 2012 <b>Register by November 23</b>	10:00am – 11:30am
Monday, December 3, 2012 <b>Register by November 27</b>	10:00am – 11:30am
Tuesday, December 4, 2012 <b>Register by November 28</b>	10:00am – 11:30am
<i>Please be sure that you login to the AT&amp;T Connect online conferencing system before the start of the session to ensure that you have connectivity and that the AT&amp;T Connect software has been downloaded onto your system.</i>	

Login information will be provided to those that are approved to attend the webinar sessions.

**If you are interested in participating, please register to attend.** Organizations are required to limit the number of AT&T Connect participants to one per office location as the Division must pay for each computer that is accessing the AT&T Connect website during the call. You may have multiple participants at one location by using an LCD projector to view the website and a conference phone to listen to the trainer.

**Please note:** CEUs and Certificates of Attendance will not be given for this training.
