

TRAINING ANNOUNCEMENT

Individual Service Planning (ISP) for Persons with DD Diagnosis: Incorporating the New Options and Comprehensive Supports Waiver Programs, Supports Intensity Scale and Person Centered Action Planning *Informational session provided via Conference Call & Internet*

This training reflects the ISP design that not only incorporates the values and strategies embodied in the Person Centered Organizations/Good to Great initiative, but also the information obtained from the Supports Intensity Scale (SIS). The SIS assists in determining the types, levels and intensity of supports required, which is vital to the development of a person centered ISP.

This training is for **NEW and EXISTING** support coordinators, planning list administrators, DD community service providers, including house managers, direct support professionals, supervisors, directors and subcontractors. DBHDD State & Regional Office staff are welcome to attend but must register. The presenters for this training will be Training Specialists from DBHDD's Office of Learning and Organizational Development-Division of Developmental Disabilities. Training will begin at 9:00am and end at 1:00pm; sign-in begins at 8:30 am.

The training will address the following questions:

- How to incorporate person centered principles into the ISP?
- How to address important to and for?
- How to develop outcomes based on what is important to and for a person?
- How to use the tools what is working, not working and 4+1 questions?

Training Dates/Times	
You will have access to the online conferencing system 30 minutes before the start of each session.
