June 26, 2013

Dear Stakeholders:

The DBHDD Division of Developmental Disabilities values our partnership with stakeholders. We invite you to take this opportunity to provide constructive and focused feedback on the draft Community Service Standards for DD Providers. As the Standards impact various stakeholders, we would like to receive your feedback and comments before the Division of Developmental Disabilities finalizes the draft document.

To review the proposed Standards, use the link posted on DBHDD website: <http://dbhdd.georgia.gov>. A Feedback/Comments Form has been designed as a method to help us receive feedback and improve our Standards. Each submitted comment will be reviewed but due to limited resources, we will not be providing a written response.

The Division of Developmental Disabilities is soliciting feedback and comments for a two week period which will end on July 11, 2013. Please email your Feedback/Comments Form to: [PolicyQuestions@dbhdd.ga.gov](mailto:PolicyQuestions@dbhdd.ga.gov). We thank you in advance for your participation in this process.

Sincerely,

David Blanchard  
Director, Division of DD Service Support

CC: Charles Li, MD, MHSA, Assistant Commissioner, Division of Developmental Disabilities
