

TRAINING ANNOUNCEMENT **UPDATE**

Georgia Quality Management System: Aging with Disabilities Training

This course was developed in collaboration with the DBHDD, Division of Developmental Disabilities, Division of Aging Services, Aging and Disability Resource Connection (ADRC) and the designated regional Area Agencies on Aging (AAA's). The Aging with Disabilities training will focus on the needs of individuals with Intellectual Disabilities (ID)/ Developmental Disabilities (DD) as they get older and the supportive environment and preventative healthcare strategies needed to promote healthy living. Participants will discuss aging family caregivers' needs and how to support them to continue to care for their loved ones in the community. In addition, strategies will be developed to foster collaboration between state offices and stakeholders looking for ways to maintain an individual's optimum health in a community setting.

The intended audience for this training is all Intellectual Disabilities (ID)/ Developmental Disabilities (DD) stakeholders including Individuals and their Families, Providers, Support Coordinators, Regional Planning List Administrators and Direct Support Staff. Self-Direct Providers and Family members may also attend.
