

## TRAINING ANNOUNCEMENT UPDATE

### Georgia Quality Management System: Quality Medication Management and Healthcare Oversight

This course was developed in collaboration with the DBHDD, Division of Developmental Disabilities and the Delmarva Foundation's Georgia Quality Management Systems (GQMS). The Quality Medication Management and Healthcare Oversight training will focus on the needs of individuals with Intellectual Disabilities (ID)/ Developmental Disabilities (DD) having a quality review of medication and healthcare regimes. This session will also include how to effectively assist in recommending a medication reduction plan.

The intended audience for this training is all Intellectual Disabilities (ID)/ Developmental Disabilities (DD) stakeholders including Providers and their Quality Management oversight staff, Support Coordinators, Regional Planning List Administrators and Direct Support Staff. Self-Direct Providers and Family members may also attend. This training will be facilitated by Linda Tupper, RN CDDN, with the Georgia Quality Management System.
